There are ways to get there
If you care enough for the living
Make a little space

For you and for me
And the entire human race

There are people dying
If you care enough for the living
Make it a better place
For you and for me
If you want to know why
There's love that cannot lie
Love is strong
It only cares of joyful giving

31. WE ARE THE WORLD

There comes a time
When we heed a certain call
When the world must come together as one
There are people dying
Oh, and it's time to lend a hand to life
The greatest gift of all

We can't go on
Pretending day-by-day
That someone, somewhere soon make a change
We're all a part of God's great big family
And the truth, you know, love is all we need

We are the world
We are the children
We are the ones who make a brighter day, so let's start giving
There's a choice we're making
We're saving our own lives
It's true we'll make a better day, just you and me

Oh, send them your heart
So they know that someone cares
And their lives will be stronger and free
As God has shown us by turning stones to bread
And so we all must lend a helping hand

We are the world
We are the children
We are the ones who make a brighter day, so let's start giving
Oh, there's a choice we're making
We're saving our own lives
It's true we'll make a better day, just you and me

When you're down and out, there seems no hope at all
But if you just believe there's no way we can fall
Well, well, well, well let us realize
Oh, that a change can only come
When we stand together as one, yeah, yeah, yeah

We are the world
We are the children
We are the ones who make a brighter day, so let's start giving
There's a choice we're making
We're saving our own lives
It's true we'll make a better day, just you and me

We are the world
We are the children
We are the ones who make a brighter day, so let's start giving
There's a choice we're making
We're saving our own lives
It's true we'll make a better day, just you and me

Parent-Teacher Meeting (PTM)

Experience has shown that many parents are indifferent to the progress, welfare and discipline of wards, and in many cases, awareness comes much too late, home-school interaction is most vital. Periodic meetings of parents with teachers are arranged to help the process of their ward's education. Parents are requested to make good use of this opportunity for building up mutual understanding for holistic development of their wards. Parents must attend all the PTMs and contribute to the well- being of their wards. The parents should bring their ward along with them in proper school uniform carrying school diary when they attend the PTM. Remarks/feedback by the teachers on the PTM registers must be read and dully signed by the parents only. Regular and continuous absence of parents for PTMs will be seriously viewed by the school administration. Attendance will be given to the student if the PTM is held on a normal working day.
