- 2) Homophones

Q4. Read the short passage and answer the questions:-

5x2=10

The hillside is quiet and beautiful. One can hear the sound of the birds chirping, the river flowing and the wind blowing. The mountains are brown in colour. But some mountains have white snow on the top.

The bright yellow sun rises from between the mountains. The river flows down the mountain and is deep blue. The water also has many fish in them. These fish are both big and small. Most of the fish are red and green in colour.

There are many houses on both sides of the river. Several people live in these houses. These people walk along the river and enjoy Mother Nature.

Answer the following questions:

1. What can you hear on the hillside?
2. Why are some mountains white on the top?
3. What do the people do?
4. What rises from in between the mountains?
5. Give a title to the passage.
